Hey _____! Happy Friday! I hope you're loving your products (***if they bought product from you)! I wanted to reach out to tell you about something super exciting that I'm doing, and it involves more free goodies for you lol. My director is hosting a skincare and supplement session via Facebook Live, and I would love for you to join us as my guest! You'll get to try some fabulous face masks, as well as an exfoliating treatment that makes your skin so soft and smooth. Of course it's totally free with no obligation to purchase! Would you be willing to join?! ❤

give her a call and ask her the questions about her skin so that you can complete the google form for her samples. Then, add her to the correct Facebook group for the date she chose. Ask her if there's anyone she would like to invite out of her Facebook friends to join
